Excellence in Teaching Award

Bestowed by the Class of 2016 to faculty members and fellows for their outstanding contribution to the educational mission of the Department of Medicine.

Blunck Award

Established in memory of Dr. Jay F. Blunck, a former director of Medical Education, and awarded to the senior resident whose commitment to general internal medicine and teaching best reflects Dr. Blunck.

Grumet Award

Established in memory of Dr. Gerald M. Grumet, a former resident, fellow and faculty member, and awarded to the senior resident who is voted best teacher by the intern class.

Landsberg Award

Established in honor of Dr. Lewis Landsberg, former Chairman and Dean Emeritus, and awarded to the senior resident who has exhibited unparalleled leadership and professionalism throughout residency.

Patterson Award

Established in honor of Dr. Roy Patterson, former Chairman of the Department of Medicine, and awarded to the faculty member voted the best teaching attending by the senior residents.

Webster Award

Established in honor of Dr. James R. Webster Jr., former Chief of the Medical Service, given by the Chief Medical Residents to the senior resident who best emulates Dr. Webster's qualities as a gifted clinician, teacher and humanitarian.

Widen Award

Established in honor of Dr. Arnold L. Widen, a beloved community health leader, given to the senior resident who has demonstrated a commitment to community service.
